All prices exclude GST

Histopathology		
Code	Tests	Price
HPB	<p>Basic Health Package</p> <p>Clinical examination, euthanasia, dissection, description of gross lesions and report.</p> <p>Sample collection for serology and molecular pathology if required.</p> <p>External examination for lesions and ectoparasites.</p> <p>Autopsy, collection of routine tissues (see below) and description of lesions found. If lesions are present, samples will be taken for further analysis.</p> <p>Culture for respiratory pathogens incl. Pasteurella spp – (PCR recommended for PAS, please specify on submission form). Nasotracheal wash retained for Mycoplasma PCR if required. (Please specify on submission form).</p> <p>Caecum harvested for bacterial culture for Salmonella spp only.</p> <p>Histopathological examination (H&E stain) of kidney, liver, small intestine and colon. (Samples fixed in buffered formalin, trimmed and blocks prepared.)</p> <p>Direct examination of intestinal tract for helminths.</p> <p>Cellophane tape test for pinworm ova.</p> <p>Wet mount examination of mucosal scrapings for protozoa.</p>	\$80.00
HPE	<p>Extended Health Package</p> <p>Basic Health Package <i>plus</i>:</p> <p>Caecum harvested for bacterial culture of enteric pathogens.</p> <p>Histopathological examination (H&E stain) of brain, heart, spleen (mice) plus lacrymal and salivary glands in rats. (Samples fixed in buffered formalin, trimmed and blocks prepared.)</p>	\$105.00
EXAM	Histopathology exam - slide preparation, staining and result interpretation from fixed tissue provided	\$30.00
SALM	Culture for salmonella	\$33.00
BACT1	Culture for enteric pathogens	\$27.50
BACT2	Culture for respiratory pathogens (excluding <i>Mycoplasma spp</i>)	\$27.50
PARA1	Ectoparasite examination	\$11.00
PARA2	Skin scrape for detection of burrowing mites	\$11.00
PARA3	Pin worm detection	\$11.00
PARA4	Direct examination of intestinal tract for helminthes	\$11.00
PARA5	Wet mount examination for detection of mucosal scrapings for protozoa	\$11.00

Disclaimer. The IMVS makes no express or implied warranties in respect of the Supply except where this would contravene any statute or where the exclusion of an express or implied term, condition or warranty would be void (collectively, "Non-excludable Warranty"). However, where exclusion of express or implied warranties does not constitute a Non-excludable Warranty, IMVS excludes all warranties, terms and conditions and all liability to the Client for consequential or indirect loss or damages. In any event, in respect of both Non-excludable Warranties and excludable warranties, the IMVS' liability arising from anything under this Supply is limited, at the IMVS' election, to an amount equal to the payment received from the Client for the Supply or the repeat provision of the Supply.

PCR

Standard (PCR) — \$55/test	Reverse Transcriptase (RT-PCR) — \$65/test
Cytomegalovirus (MCMV)	Mouse Hepatitis virus (MHV)
Helicobacter spp (HBS)	Reovirus (REO)
Helicobacter bilis (HBB)	Rotavirus (ROTA)
Helicobacter hepaticus (HBH)	Sendai virus (SEN)
Mycoplasma spp (MYC)	Theiler's Murine Encephalomyelitis virus (TMEV)
Mycoplasma pulmonis (M.Pul)	
Minute virus of Mice (MVM)	Quantitative (QPCR) — \$65/test
Mouse Parvovirus (MPV)	Toolan's H-1/Rat Parvovirus (TH-1)
Kilham's rat virus (KRV)	
Pasteurella spp (PAS)	Additional PCR — \$30/test*
Polyoma virus (POLY)	Helicobacter bilis (HBB),
Staphylococcus aureus (Staph)	Helicobacter hepaticus (HBH),
Salmonella spp (Sal)	Mycoplasma pulmonis (M.Pul)
Pseudomonas aeruginosa (PSEU)	* If performed post species assay
